

Olga Łasak, 7 Rings [Dance Dance Dance Poland]

breakfast at Tiffany's
and bottles of bubbles
girls with tattoos who like getting trouble
lashes and diamonds
ATM machines
buy myself all of my favorite things

been through some bad shit
I should be a sad bitch
who woulda though it's turn me to a savage?

rather be tied up with cuffs and not strings
write my own checks like I write
what I sing, yeah!

my wrist, stop watchin' m
my neck is flossing'
make big deposits
my gloss is poppin'

you like my hair
gee, thanks, just bought it
I see it, I like it, I want it, I got it
I want it, I got it
I want it, I got it
I want it, I got it
I want it, I got it
you like my hair
gee, thanks, just bought it
I see it, I like it, I want it, I got it

wearing a ring
but ain't gon' be no "Mrs."
buy matching diamonds for six of my bitches

I'd rather spoil all my friends with my riches
think retail therapy my new addiction

whoever said money can't solve your problems?
must not have had enough money to solve 'em
they say "which one?"
I say "Nah, I want all of 'em"
happiness is the same price as red-bottoms

my smile is beaming
the way it shine i know you've seen it
bought a crib just for the closet
both his and hers,
I want it!
I got it!
I want it, I got it
I want it, I got it
I want it, I got it
I want it, I got it
you like my hair
gee, thanks, just bought it
I see it, I like it, I want it, I got it

I got my receipts, be lookin' like phone numbers
if it ain't money, then wrong number
black card is my business card
they way it be setting the tone for me

I don't mean to brag, but I be like

"Put it in the bag"
when you see them racks, they stacked up like my ass

shoot, go from the store to the booth
make it all back in one loop
give me the loot
mever mind, I got the juice
nothing but net when we shoot

look at my neck
look at my neck
ain;t got enough money to pay me respect
ain''t no budget when I am on the set
if I like it
that that's what I get!, yeah!

I want it, I got it
I want it, I got it
I want it, I got it
I want it, I got it
you like my hair
gee, thanks, just bought it
