

Olivia Addams, Are We There?

Are we there yet
Are we there yet
Not yet, But i Bet
Its a journey you wont forget
Are we there yet
Are we there yet
Not yet, But i Bet
Its a journey you wont forget

How did my world get so small again?
Mama just tell me why
Sometimes i feel that i need a friend
Father, i don't see why

We run, run, run
From heart to heart
Ilussions are our greatest fun
We run, run, run
But how far i am only wondering

Are we there yet
Are we there yet
Not yet, But i Bet
Its a journey you wont forget
Are we there yet
Are we there yet
Not yet, But i Bet
Its a journey you wont forget

Like bla bla bal
You're thinking like:
Bla bla bla bla bla

We used to live
Like we're made of gold
Kiddo, it makes my cry
It's funnt how i can't sleep alone
Surronded by strangers eyes

We run, run, run
From heart to heart
Ilussions are our greatest fun
We run, run, run
But how far i am only wondering

Are we there yet
Are we there yet
Not yet, But i Bet
Its a journey you wont forget
Are we there yet
Are we there yet
Not yet, But i Bet
Its a journey you wont forget

Like bla bla bal
You're thinking like:
Bla bla bla bla bla
