## Oskar Brzostowski, They Don't Know About Us

People say we shouldn?t be together We?re too young to know about forever But I say They don?t know What they?re talk - talk - talking about

Cause this love is only getting stronger
So I don?t want to wait any longer
I just want to tell the world that you?re mine, girl

They don?t know about the I love you?s
But I bet you if they only knew
They?d just be jealous of us
They don?t know about the up all nights
They don?t know I?ve waited all my life
Just to find a love that feels this right
Baby, they don?t know about, they don?t know about us

One touch and I was a believer Every kiss gets a little sweeter

It?s getting better Keeps getting better all the time, girl

They don?t know about the I love you?s
But I bet you if they only knew
They?d just be jealous of us
They don?t know about the up all nights
They don?t know I?ve waited all my life
Just to find a love that feels this right
Baby, they don?t know about, they don?t know about us

They don?t know how special you are They don?t know what you?ve done to my heart They can say anything they want Cause they don?t know us

## Niall:

They don?t know what we do best It?s between me and you Our little secret

But I wanna tell them I wanna tell the world That you?re mine, girl

They don?t know about the things we do They don?t know about the I love you?s But I bet you if they only knew They?d just be jealous of us They don?t know about the up all nights They don?t know I?ve waited all my life Just to find a love that feels this right Baby, they don?t know about, they don?t know about us They don?t know about the things we do They don?t know about the I love you?s But I bet you if they only knew They?d just be jealous of us They don?t know about the up all nights They don?t know I?ve waited all my life Just to find a love that feels this right Baby, they don?t know about, they don?t know about us
