

# Paramore, Last Hope

I don't even know myself at all  
I thought I would be happy by now  
The more I try to push it  
I realize, I gotta let go of control

Gotta let it happen /3x  
So let it happen

It's just a spark  
But it's enough to keep me going  
And when it's dark out, no one's around  
It keeps glowing

Every night I try my best to dream  
Tomorrow makes it better  
Then I wake up to the cold reality  
And not a thing is changed

But it will happen  
Gotta let it happen /3x

It's just a spark  
But it's enough to keep me going  
And when it's dark out, no one's around  
It keeps glowing

It's just a spark  
But it's enough to keep me going  
And when it's dark out, no one's around  
It keeps glowing

And the salt in my wounds isn't burning anymore than it used to  
It's not that I don't feel the pain, it's just I'm not afraid of hurting anymore  
And the blood in these veins isn't pumping any less than it ever has  
And that's the hope I have, the only thing I know that's keeping me alive

Alive

Gotta let it happen /8x

It's just a spark  
But it's enough to keep me going  
(So if I let go of control now, I can be strong)  
And when it's dark out, no one's around  
It keeps glowing

It's just a spark  
But it's enough to keep me going  
(So if I keep my eyes closed, with the blind hope)  
And when it's dark out, no one's around  
It keeps glowing
