

Polsat, Wiosna 2021 w Polsacie - Spot wizerunko

why so serious why are we so serious why so serious
when did we get like this?
I still remember we weren't grown up like this
why so serious why are we so serious why so serious
when did we get like this?
I still remember we weren't grown up like this

I wanna live in the now
I'm not gonna live in the past
don't wanna care about what ifs
cause what if those things don't last?
and I wanna live with no regrets
I wanna live in the now
I am not gonna live in the past
don't wanan care about what ifs
cause what if those things don't last
and I wanna live with no regrets
so someone tell me
why so serious?

why so serious why are we so serious why so serious
when did we get like this?
I still remember we weren't grown up like this
why so serious why are we so serious why so serious
when did we get like this?
I still remember we weren't grown up like this
