

R3HAB & Jonas Blue, Sad Boy (feat. Ava Max, K

I go I go I go
Out of my head
Solo loco in my bed
In that t-shirt that you left
It goes
Lala lala lada in my heart
It goes
Tick tock on the wall
Stuck here waiting
For your call

It think you're
Bad boy
Always make me
Mad boy
When i know you're just
A sad boy
But i like that
i like that
keep you're
Bad boy
Always make me
Mad boy
When i know you're just
A sad boy
A sad boy
But i like that
i like that sad boylike that sad boy
like that sad boy
