

R3HAB x Sigala x JP Cooper, Runaway

I know we've been close since we were kids
And you used to swing my way,
Knock my door, come out to play
You'd tell me everything I'm always listening
To the stories that we made while we were sipping lemonade

But there's something in ur soda
Now we're boozing
Now we're older
We get nervous every time that we get close
But music is getting louder
And the drinks are getting harder
Everybody knows the way that this goes
