

R3HAB x Winona Oak, Thinking About You

Keep on looking my way
Follow my words and do as i say
And i go..
Ohhh

Now come and touch me there
Wanna feel your hands everywhere
And i go..
Ohhh

Cause i am thinking about you
thinking about you
don;t wanna let you go
never wanna let you go
i am thinking about you
thinking about you
don't wanna let you go
never wanna let you go

thinking about you
don't wanna let you go

free your fears and float away
i know i can make you wanna stay
when we go
wen we go

like to feel your body close
you're the one i want the most
when we go
when we go

Cause i am thinking about you
thinking about you
don;t wanna let you go
never wanna let you go
i am thinking about you
thinking about you
don't wanna let you go
never wanna let you go
