

Rainsford, 2 Cents

Got a sore throat and i keep choking
I didn't say what a mess i am in
Hard to speak up when i am so private
Give me 2 cents like i asked for it

The way you see it
It seems so far away
You know i feel it
Work through my
Co-dependency

I, i need a lot but
I can give you what you're wanting
Love like crazy
I, i need a lot but
You'll get more than what i am taking
Pretty baby

Looking at me like an animal
Starting to question my own judgment
Maybe i cry when its laughable
Feeling it out
I am emotional

If you're in te mood to turn it up
Don't say no

You know i try
I might
Hold on a little hard
Too tight
Tonight
I am hitting a wall
