

Ray Dalton X Alvaro Soler, Manila

Wake up in Manila
Ride to Belize
Dive into the ocean and
Feel a little free
Skies of vanilla
Smell it through the breeze
You could be the one
Take a chance with me

Your running circles round your heart
I know it's going to be real dark
I take a minute light a spark
We can dance until the fall

Si te vienes conmigo
Pienasatelo bbiem
Vamos a 100 por hora
Un poco del reves
Porque cuando arracamos
Ya no para ei tren
Mira que top lo cuento bien

Why don't we live
Why don't we live
Why don't we live
Just a littel bit

Why don't we live
Why don't we live
Why don't we

Wake up in Manila
Ride to Belize
Dive into the ocean and
Feel a little free
Skies of vanilla
Smell it through the breeze
You could be the one
Take a chance with me

Y si mezclamos mi cerveza y tu tequila
Hooy no hay controles de Berlin hasta Manila
Como te diego
Como te diego yo

Why don't we live
Why don't we live
Why don't we live
Just a littel bit

Why don't we live
Why don't we live
Why don't we

Wake up in Manila
Ride to Belize
Dive into the ocean and
Feel a little free
Skies of vanilla
Smell it through the breeze
You could be the one
Take a chance with me

Why don't we live

Why don't we live
Why don't we live
Just a littel bit

Why don't we live
Why don't we live
Why don't we
