

Sabrina Carpenter, Paris

[Verse 1]

If I ask that boy to jump, I know he would
He don't even have to say, it's understood
He treat me nice, he treat me right, he treat me good
Still I get so hesitant, still I get so hesitant
So I took myself where I think I should be
Something told me that he's waiting here for me
Parisian nights, Parisian hot, Parisian breeze
Feeding me like medicine, feeding me like medicine, yeah

[Chorus]

It's so romantic in Paris
Won't even try to compare it
Thought I was sure that I'd find it
But I already have love in LA
It's so romantic in Paris
Won't even try to compare it
Thought I was sure that I'd find it
But I already have love in LA
Yeah, I already have love in LA

[Verse 2]

If you show me too much love, it makes me leave
Guess it's one of many things that's wrong with me
Looking past you when you're right in front of me
I won't do that anymore, I won't do that anymore
Why'd it take so long for me to know this?
Scared to put the water with the roses
Halfway across the world for me to notice
But I know this, yeah I know this, yeah

[Chorus]

It's so romantic in Paris
Won't even try to compare it
Thought I was sure that I'd find it
But I already have love in LA
It's so romantic in Paris
Won't even try to compare it
Thought I was sure that I'd find it
But I already have love in LA

[Bridge]

Je ne voulais pas trouver l'amour
Mais Paris a quelque chose
Qui donne envie d'aimer, d'aimer passionément
Mon coeur est à toi pour toujours
You will always have my heart

[Chorus]

It's so romantic in Paris
Won't even try to compare it
Thought I was sure that I'd find it
But I already have love in LA (Already have love)
It's so romantic in Paris (So romantic in Paris)
Won't even try to compare it (I know that I try)
Thought I was sure that I'd find it
But I already have love in LA
It's so romantic in Paris
Won't even try to compare it
Thought I was sure that I'd find it
But I already have love in LA
But I already have love in LA
