## Sampha, (No One Knows Me) Like The Piano

No one knows me like the piano In my mother's home You'd show me I have something Some people call a soul And you drop-topped he sky You arrive when I was 3 years old No one knows me like the piano In my mother's home

You know I left
I flew the nest
And you know
I won't be long
And in my chest you know me best
And you know I'll be back Home

An angel by her side
All the times I knew we couldn't cope
They said that it's her time
No tears un sight
II kept the feelings close
And you took hold od me and never
Never, never let me go
Coz
No one knows me like the piano
In my mother's home
In my mother's home
