

SARAPATA, Rework

Joy of seeing you with me
Has turned to joy of seeing someone else
Our sea dried up again
It's so hard to wait for you my friend

There's no need to build a home
If we forgot how to talk with rocks
There's no need to sway on a branch
If we forgot how to play ourselves

(Joy of seeing you with me)

Joy of seeing you with me
Our sea dried up again
