

# Scooter, Groundhog Day

remember  
we make the ground shake  
we're dancing till we faint

turn it up  
yeah!

living in a timeloop  
like Groundhog Day  
no life without party  
no life if we don't play!

am i feel you nowa  
come and help  
to find my way out  
am i dreaming now  
come and help  
to find my way out  
my way out

shake your hips  
and do teh steps  
this is a moment i feel alive!
