

# Sia, David Guetta & Afrojack, Helium

I'm trying but I keep falling down  
I cry out but nothing comes now  
I'm giving my all and I know peace will come  
I never wanted to need someone

Yes, I wanted to play tough  
But I could do all just on my own  
But eve Superwoman sometimes need supermen's soul

Help me out of this hell  
Your love lifts me up like a helium  
Your love lifts me up  
When I'm down, down, down  
When I've hit the ground  
You're all I need

And If you let do  
I'll float towards the Sun  
I;m stronger  
Coz you fill me up  
But when the fears come and drift towards the ground  
I'm lucky that you're around

Yes, I wanted to play tough  
But I could do all just on my own  
But eve Superwoman sometimes need supermen's soul

Help me out of this hell  
Your love lifts me up like a helium  
Your love lifts me up  
When I'm down, down, down  
When I've hit the ground  
You're all I need
