

Sigma, Anywhere

i'll go Anywhere with you
Anywhere with you
Anywhere with you
i'll ride, i'll ride away with you

we were following the Cambridge signs
tryna get the music right
in my shitty old car
with the scratched up sides
open windows all the way
coz I ain't got no AC babe
let the radio sing
what we would say
coz Sundays ;last forever
when I got you baby
if you're driving with me

i'll go Anywhere with you
Anywhere with you
Anywhere with you
i'll ride, i'll ride away with you
i'll go Anywhere with you
Anywhere with you
Anywhere with you
i'll ride, i'll ride away with you

you /10x
i'll ride, i'll ride away with you

i'll go Anywhere with you
Anywhere with you
Anywhere with you
i'll ride, i'll ride away with you
i'll go Anywhere with you
Anywhere with you
Anywhere with you
i'll ride, i'll ride away with you

looking for a pick me up
I don't really want to stop
I'm driving fast
got a buzz
from the coffee cups
only filled ½
the tank half up
so I could spend the rest on us
don't need gas
got enough we running on love
coz Sundays ;last forever
when I got you baby
if you're driving with me

i'll go Anywhere with you
Anywhere with you
Anywhere with you
i'll ride, i'll ride away with you
i'll go Anywhere with you
Anywhere with you
Anywhere with you
i'll ride, i'll ride away with you

you /10x
i'll ride, i'll ride away with you

i'll go Anywhere with you
Anywhere with you
Anywhere with you
i'll ride, i'll ride away with you
i'll go Anywhere with you
Anywhere with you
Anywhere with you
i'll ride, i'll ride away with you
