

# SILVA HOUND, ADDICT - HAZBIN HOTEL

[VERSE 1: MICHAEL KOVACH]

Til death do us part  
But we're already past that phase  
This is a brand new start  
And I think I deserve some praise

For the way that I am  
Despite having overdosed  
And ending up comatose

I don't give a damn  
I've let my emotions go  
Fuck being a sober hoe

This is the mantra, this is my life you're playing with now til the end of the night  
Surrounded by fire the passion ignites, a hit of that heaven and hell, a helluva high

[CHORUS: MIKE & CHI-CHI]

I'm addicted to the madness  
This hotel is my Atlantis  
We're forever gonna have a fucking reason to sin  
Let me leave my soul to burn and I'll be breathing it in

I'm addicted to the feeling  
Getting higher than the ceiling  
And we're never gonna want this fucking feeling to end  
Just concede and give in to your inner demons again

[VERSE 2: CHI-CHI]

Yeah you fell in love  
But you fell deeper in this pit  
While death rains from above  
So count your blessings cause this is it

You're not letting it go  
So what if I misbehave  
It's what everybody craves

You already know  
So come if you're feeling brave  
And fancy yourself a mate

You want it, I got it, see what you like? We could have it all by the end of the night  
Your money and power, my sinful delight, a hit of that heaven and hell, a helluva high

[CHORUS: MIKE & CHI-CHI]

I'm addicted to the madness  
This hotel is my Atlantis  
We're forever gonna have a fucking reason to sin  
Let me leave my soul to burn and I'll be breathing it in

I'm addicted to the feeling  
Getting higher than the ceiling  
And we're never gonna want this fucking feeling to end  
Just concede and give in to your inner demons again

Just concede and give in to your inner demons again

I'm addicted to the feeling  
Getting higher than the ceiling  
And we're never gonna want this fucking feeling to end  
Just concede and give in to your inner demons again

[CHORUS 2: MIKE]

I'm addicted to the sorrow  
When the buzz ends by tomorrow  
There's another rush of poison flowing into my veins  
Giving me a dose of pleasure that resides by the pain

I'm addicted, I'm dependent  
Looking awesome, feeling helpless  
And I know I'm raising Cain by every highway in hell  
Maybe things won't be so terrible inside this hotel
