

# SiR, Hair Down (ft. Kendrick Lamar)

I been goin' silly for the Westside  
you might catch me rollin' where  
the reps ride  
ain't no opposition  
I am the best  
right?  
I might take my city on a test drive

you don't wanna see me on a good day  
you don't wanna see me on a bad day  
I as just a nigga with somehoop dreams  
now I am in the league  
now I am in the lead

I can slam dunk but I just layup  
smokin' marijuana till  
what  
wake up!  
may not understand me  
cause it's all real  
am a real, real  
and I don't really give a damn how y'all feel  
no, no!
