

# Snakehips, MØ, Don't Leave

you know me  
now and then  
I'm a mess  
please don't hold that against me  
I'm, a girl with a temper a beat  
I know I can be crazy

but I'm not just a fuck-up  
I'm the fuck-up you need  
I don't hear nobody when you focus on me  
perfectly imperfect  
I hope that you see  
tell me you see  
cause I know that you've been thinking about it

don't leave  
shut your mind off and let your heart breathe  
you don't need to be worried  
I may not ever get my shit together  
but ain't nobody gonna love you better  
don't go  
what we have here is irreplaceable  
no, I won't trade this for nothing  
I may not ever get my shit together  
but ain't nobody gonna love you better than me  
love you better than me

in a room full of people with you  
I don't see anybody else, no  
when we fight, and you're right  
so sorry, I make it just so difficult

but I'm not just a fuck-up  
I'm the fuck-up you need  
I don't hear nobody when you focus on me  
perfectly imperfect  
I hope that you see  
tell me you see  
cause I know that you've been thinking about it

don't leave  
shut your mind off and let your heart breathe  
you don't need to be worried  
I may not ever get my shit together  
but ain't nobody gonna love you better  
don't go  
what we have here is irreplaceable  
no, I won't trade this for nothing  
I may not ever get my shit together  
but ain't nobody gonna love you better than me  
love you better than me

sitting in the living room  
you look at me, I stare at you  
I see the doubt, I see the love  
I have and it is all for you  
let me wrap myself around you, baby  
let me tell you, you are everything, you are  
losing my words ,  
I don't know where to go

but I'm not just a fuck-up  
I'm the fuck-up you need  
I don't hear nobody when you focus on me

perfectly imperfect  
I hope that you see  
tell me you see  
cause I know that you've been thinking about it

don't leave  
shut your mind off and let your heart breathe  
you don't need to be worried  
I may not ever get my shit together  
but ain't nobody gonna love you better  
don't go  
what we have here is irreplaceable  
no, I won't trade this for nothing  
I may not ever get my shit together  
but ain't nobody gonna love you better than me  
love you better than me
