

Stefflon Don, Lil Baby, Phone Down

put your phone down
down down
bea look at me when I am made up
bea look at me when I am made up

put your phone down
down down
baby you can do that later
baby you can do that later

listen,
if they coming for me imam bring it to 'em
imam pull up on 'em
whip 'em then u move 'em
let my Dannas slew 'em
crush am left 'em chew 'em

touch my likkle bredda
and I am gonna do 'em
I an't suicidal but I am in the streets
at your door like
like it's trick or treat
lifting hinges heading straight to the P
I've been going hard o ain;t had no sleep

I've been stressing out thinking
about this money
told my other imma
imam make her proud of me
you ain;t making mney
you just on your phone
come let's get this paper boy it's time to go

so put your phone down
down down
bea look at me when I am made up
bea look at me when I am made up

put your phone down
down down
baby you can do that later
baby you can do that later

why you always got uyour phone in your hand?

I swear it's feeling like I aon;t got a man
I just want to take it run it over whit a van
but I can't drive cause I am still on a ban
why you acting like we an;t got bills to payt
no eye contact boy are you hearing me
you buy ganja now all oyur money done
me affi make a move
me ah beg you fi yuh come

I've been stressing out thinking
about this money
told my other imma
imam make her proud of me
you ain;t making mney
you just on your phone
come let's get this paper boy it's time to go

so put your phone down
and keep youe eyes on me

baby don't tell me
but show me say you'll love me
