

# Stephen Puth, Sexual Vibe

It's hard to stay mad at you  
When you look that  
When you move like that so  
Give me that attitude  
And I'mma give it right back  
Make the tension last like

my god  
you the baddast  
we go on and on and  
I just about had it  
I don't wanna come across as too dramatic  
but imam die if I don't have it

we're on that sexual vibe  
you got me on that wave  
I am only here for the night  
so tell me what's he play

your effort so effortless  
so don't move too fast  
cause I like it when ya  
fuck with me reckless  
and imam give it right back  
make the tension last like

my god  
you the baddast  
we go on and on and  
just like a habit  
I know all tham other dudes  
they were average  
but that's fine cause they as practice

we're on that sexual vibe  
you got me on that wave  
I am only here for the night  
so tell me what's he play

I am under you influence  
when you're on top  
you know I am listening  
tell me what you want  
we're on the sexual vibe

we could take it slow  
teach me things I didn't know  
it's building up for show  
all this tension let it go

we're on that sexual vibe  
I am only here for the night  
I am under you influence  
when you're on top  
you know I am listening  
tell me what you want

we're on that sexual vibe  
you got me on that wave  
I am only here for the night  
so tell me what's he play
