

SZA, Garden (Say It Like Dat)

need you for the old me
need you for my sanity
need you to remind me
where i came from
can you remind me of my gravity?
ground me when I'm tumbling, spiraling
plummeting down t Earth
you keep me down to Earth

call me on my bullshit
lie to me and say my booty getting bigger
even if it ain't
love me even if it rain
love me even if it pain you
I know I be difficult
you know i be difficult
you know it get difficult too

open your heart up
hoping I'll never find out that you're anyone else
cause I love you just how you are
hope you never find out who I really am
cause you'll never love me
you'll never love me
you'll never love me but I believe you when you say it like that
Do you mean it when you say it like that?
I believe you when you say like that
you must really love me

for real, li'm not playing no games
boy, we back and forth
I need your support now
in case you call myt phone I don't care
got no panties on
I need your support now
I know you'd rather be laid up with a big booty
body hella positive cause she got a big booty
I know I'd rather be paid up
you know I'm sensitive about having no booty
having nobody only you, buddy
can you hold me when nobody's around us?

open your heart up
hoping I'll never find out that you're anyone else
cause I love you just how you are
hope you never find out who I really am
cause you'll never love me
you'll never love me
you'll never love me but I believe you when you say it like that
Do you mean it when you say it like that?
I believe you when you say like that
you must really love me
