SZA, Hit Different (ft. Ty Dolla $ign)

Hit different, Hit different,
Hit different, Hit different, ohh
Hit different, Hit different,
Hit different, Hit different,
Hit different, when i am sittin' here
Alone, all by myself
(Alone, all by myself)
Hit different, when i think you might be
With somebody else
And it Hit different
Hit different
Hit different, Hit different,
Hit different, Hit different, ohh
Hit different, Hit different,
Hit different, Hit different

I was into you from the beginning even if you wasn't mine
Scared to admit my shortcomings led to overdraft
In this affair, declining
Quicker then we started
Evidence we misaligned
Man, i get more in love
More in love
With you each argument
Somethin' wrong with me
I like the way you screw you face up
Trigger me right when i need it
You wrong
But i can;t get along without you
It's a shame and i can't blame myslef
Keep on lovin' you
You do it different

All thet i know is
Mirrors inside me
The recognize you
Please, don;t denny me

Hit different, Hit different,
Hit different, Hit different, ohh
Hit different, Hit different,
Hit different, Hit different,
Hit different, when i am sittin' here
Alone, all by myself
(Alone, all by myself)
Hit different, when i think you might be
With somebody else
And it Hit different
Hit different
Hit different, Hit different,
Hit different, Hit different, ohh
Hit different, Hit different,
Hit different, Hit different

[SZA:]
(… zwrotka 2…)

All thet i know is
Mirrors inside me

Hit different, Hit different,
Hit different, Hit different, ohh

Hit different, Hit different,
Hit different, Hit different,
Hit different, when i am sittin' here

(Alone, all by myself)
