Tata Young, Everybody Doesnt

Everybody does it
That's what you keep saying
Everybody doesn't
Not everybody's playing
I wanna be your girlfriend
But you gotta put the pressure off
Just stop

I think you've got
A one track mind
You're so focused on the destination
That you're missing the ride
You tell me
You're a patient guy
But we're not having conversations
'Cause you're pre-occupied

If I loved you, I would
If you loved me I wouldn't have to
If I were in your shoes
Never expect you to get down

Chorus
Everybody does it
That's what you keep saying
Everybody doesn't
Not everybody's playing
I wanna be your girlfriend
But you gotta put the pressure off
Everybody does it
That's what you keep saying
Everybody doesn't
Not everybody's playing
I wanna be your girlfriend
But you gotta put the pressure off

Ooh, you're good You try real hard So just fill out your application I'll let you know next year You don't believe When I say no, no, no If you don't give me considerations Then you'll have to go

If I loved you, I would
If you loved me I wouldn't have to
If I were in your shoes
Never expect you to get down

(Chorus)

Break it down for me baby Come and chill Turn the pressure off Come and dance with me sexy

(Chorus)x2
Everybody does it
That's what you keep saying
Everybody doesn't
Not everybody's playing
I wanna be your girlfriend
But you gotta put the pressure off

Everybody does it
That's what you keep saying
Everybody doesn't
Not everybody's playing
I wanna be your girlfriend
But you gotta put the pressure off

Just Stop
