The Cranberries, In The End

ain't it strange when everything you wanted was nothing that you wanted in the end ain't strange when everything you dreamt of was nothing that you dreamt of in the end

take my house take the car but you can't take the spirit take the spirit take the spirit but you can't

ain't it strange
when everything you wanted
was nothing that you wanted
in the end
ain't strange
when everything you dreamt of
was nothing that you dreamt of
in the end

take my house
take the car
take the cloths
but you can't take the spirit
take the spirit
take the spirit
but you can't
but you can't
take the spirit
take the spirit
take the spirit
take the spirit
but you can't

ain't strange when everything you dreamt of was nothing that you dreamt of in the end
