

The Killers, Caution

and there is nothing
I want to do

there is nothing
I wouldn't give
there is nothing
coming

let me introduce you
to the featherweight queen
she's got Hollywood eyes
but she can shoot what she see

her mother was a dancer
the that's all that she knew
cuz when you live in the desert
it's what pretty girls do

I am throwing a Caution
what's it gonna be
tonight the winds of change
are blowing wild and free
if I don't get out
out of this town
I just might be the one
who finally burns it down

I am throwing a Caution
I am throwing a Caution

never had a diamond
on the sole of her shoes
just blacktop white trash
straight out of the news

doesn't like birthdays
they remind her of why
she can go straight from zero
to the fourth of july

I am throwing a Caution
what's it gonna be
tonight the winds of change
are blowing wild and free
if I don't get out
out of this town
I just might be the one
who finally burns it down

I am throwing a Caution
I am throwing a Caution
