

THE ROOP, Discoteque (Litwa, Eurovision 2021)

Ok I feel the rhythm
Something's going on here
The music flows through my veins

It's taking over me
It's slowly kickin' in
My eyes are blinking
And i don't know what is happening

I can't control it
Don't wanna end it
There's no one ehre
And i don't care
I feel it's safe to dance alone

Let's discoteque right at my home
It's on to dance alone
Dance /10x
I got the moves
It's gonna blow

By dancing my won
I am healing wounded soul
My body's shaking
Heart is breaking
Have to let it go

I need to get up
And put my hands ip
Tehre's no one here
And i don't care
I feel it's safe to dance alone

Let's discoteque right at my home
It's on to dance alone
Dance /10x
I got the moves
It's gonna blow

Let's discoteque right at my home
It's on to dance alone
I got the moves
It's gonna blow
It's on to dance alone
