

Tinashe, Bouncin

Watch it bouncin' on the ground
Got my edges sweating out
Turn it up extra loud
Yeah tonight we stepping out
Been a minute since I found
Someone who could hold it down
Whatchu really talking bout?

I been sending dirty pics
Hope they make it to the cloud
Watch it bouncing on the ground
Got my edges sweating out
Bouncing on the ground
Bouncing on the ground
Bouncing on the ground
