

Tish Hinojosa, Un Noche Mas

Sombra de estrella, luna del mar
Una noche ms, quiero serme tu captivo
Sombra de estrella, quietos acqu
Una noche ms, mi amor y mi

Sol viajero volver
Cuentos de otras tierras
Brisas mares
Sombra de estrellas dime que s
Una noche ms mi armor y mi

Sueo, Sueo no te me vayas
Una noche ms quiero darte
Mira el cielo esplendor
Granos somos mi amor

Shadow of starlight, moon on the sea
Give me one more night, I want to be the captive
Shadow of starlight, motion so real
Give me one more night, my love and me

Wandering sun will shine our way
Whisper tales of places we'll be going
Shadow of starlight, say yes to me
Give me one more night, my love and me

Dream don't go, don't leave me without him
Give me one more night without ending
See the reach of the sky
We're but grains to their eyes
Shadow of starlight, say yes to me
Give me one more night, my love an me

Una noche mas mi amor y mi
