

# Tom Grennan, How Does It Feel

Cos I could be at yours on friday  
Tonight's at the place we started  
It's a long way back from sorry  
But here I go ....  
How does it feel, how does it feel  
Just tell me something

I don't know what to tell you  
I don't know what to say  
I got into my head, i'm sorry i threw it away  
But i'm so glad you came back, even through all the pain  
Let me try and mend it, i can promise that i have changed  
Oh, let me give you all of me  
Can we just sort it out for real

Cos i could be at yours on friday  
Tonights at the place we started  
It's a long way back from sorry  
But here I go ....  
How does it feel, how does it feel  
Just tell me something  
Did you miss me, i've been so messed up since you stopped calling  
It's a long way back from sorry  
But here I go ....  
How does it feel, how does it feel  
Just tell me something

I had some time to process, i'll take all of the blame  
I wasn't thinking, i won't put you through all that again  
If you take me back then imma take you through the facts  
Just hold on tight, cos i'm the type to make you right  
And take you all the way  
Oh, let me give you all of me  
Can we just sort it out for real

How does it feel, how does it feel  
Just tell me something

How does it really feel, we've both waited so long  
Your still in my head, it's all i'll ever want  
Let's not waste more time, give you one more try  
How does it feel, how does it feel
