Trippie Redd, 6 Kiss (ft. Juice WRLD, YNW Melly

pourin up fours mud in my cup won't look at the past it's behind us fallin' on the bottomless pit find up life is a purge sound of the sirens

do whatever I want don't give a fuck life my life I got your wife she my slut she take nut and now I am within it all I am on a money run

I ain't got no opps that stay inside cause they scared of my gun you all say she: sah want a real one I told her: come and find one it's funny how you pussy but you never been inside one
