

# Troye Sivan, WILD

Trying hard not to fall  
On the way home  
You were trying to wear me down  
Kissing up on fences  
And up on walls  
On the way home  
I guess it's all working out, now

'Cause there's still too long to the weekend  
Too long till I drown in your hands  
Too long since I've been a fool  
Leave this blue neighbourhood  
Never knew loving could hurt this good  
And it drives me wild

Cause when you look like that  
I've never ever wanted to be so bad  
It drives me wild  
You're driving me wild, wild, wild

White noise in my mind  
Won't calm down  
You're all I think about

Running on the music  
And night highs  
But when the light's out  
It's me and you now

Cause there's still too long to the weekend  
Too long till I drown in your hands  
Too long since I've been a fool  
Leave this blue neighbourhood  
Never knew loving could hurt this good  
And it drives me wild

You make my heart shake  
Bend and break  
But I can't turn away  
And it's driving me wild  
You're driving me wild

You make my heart shake  
Bend and break  
But I can't turn away  
And it's driving me wild  
You're driving me wild

Leave this blue neighbourhood  
Never knew loving could hurt this good  
And it drives me wild

Cause when you look like that  
I've never ever wanted to be so bad  
It drives me wild
