

Violet Oliferuk, Get Away

why does it feel i'm living through you
tell me why I am addicted to you
cause I don't even know

chasing this cause we think we want it
but we can't breathe cause the air is toxic
so tell me where to go

it's a thin
thin line
to admit or deny
yeah, yeah

ours is different kind of love
it used to be saving us
now it's just breaking us

how's this a different kind of love
it used to be saving us
now it's just breaking us
it's not about giving up
we knowing that safe enough

get away, get away, get away
get away, get away, get away
get away, get away, get away

do I stay
cause you say you need me
I craved it more when it isn't easy
how am I supposed to grow
it won't fix cause I say I love you
I need to grow but I don't know how to
how am I supposed to grow

get away, get away, get away
get away, get away, get away
get away, get away, get away

get away, get away, get away
get away, get away, get away
get away, get away, get away
