Virginia Coalition, Abbie Are You Endless?

Ge ready

Abby are you waiting waiting on time to turn all the words from other peoples heads written down to figure out

I can see you searching deeper than the other girls but the words wont ever mean a thing dear speak them out on your own

dont close your eyes till you die dont close your eyes and I'll try convince you to be somebody to me

Abby can you hear me waiting on your heart to turn all the love from other peoples heads turn them down and hear me out

crazy in an envy its deeper than the other boy but my heart wont ever need a thing dear if I got you for my own

dont close your eyes till you die dont close your eyes and I'll try convince you to be somebody to me

Abby are you endless you got me and I wanna know but the phone keeps ringing to no end dear feeling down but never out

Abby are you endless Abby are you in this x4

Abby will you take me honestly into sin do you want to do me here and when you do can you take me there

Abby will you take me honestly into sin do you want to do me here and when you do can you take me there
