Wiktoria Kasprzyk, Hold My Hand

Standing in a crowded room and I can't see your face Put your arms around me, tell me that everything's ok. In my mind, I'm running round a cold and empty space Just put your arms around me, tell me that everything's ok

Break my bones but you won't see me fall, The rising tide will rise against them all, Darling, hold my hand, I won't you hold my hand? Cause I don't wanna walk on my own anymore won't you understand? Cause I don't wanna walk alone I'm ready for this, there's no denying I'm ready for this, you stop me falling I'm ready for this, I need you all in I'm ready for this, so darling, hold my hand

Soul is like a melting pot when you're not next to me Tell me that you've got me and you're never gonna leave Try to find a moment where I can find release Please tell me that you've got me and you're never gonna leave

Break my bones but you won't see me fall, The rising tide will rise against them all, Darling, hold my hand, I won't you hold my hand? Cause I don't wanna walk on my own anymore. won't you understand? Cause I don't wanna walk alone I'm ready for this, there's no denying I'm ready for this, you stop me falling I'm ready for this, I need you all in I'm ready for this, so darling, hold my hand

Don't wanna know That feeling when I'm all alone So please don't make me wait, cause I don't wanna break And I don't wanna fall When you're next to me Can tell I'm not afraid to be That you don't make me wait, and never let me break You never let me fall

Darling, hold my hand, I won't you hold my hand? Cause I don't wanna walk on my own anymore won't you understand? Cause I don't wanna walk alone I'm ready for this, there's no denying I'm ready for this, you stop me falling I'm ready for this, I need you all in I'm ready for this, so darling, hold my hand
