X Ambassadors, Ahead Of Myself

Thought i was ready Ready for someone else But every time I get ahead of myself /2x Thought I was rock steady That I didn't need no help But every time I get ahead of myself /2x

Guess I went and jumped the gun again Some shitty situation that I put you in And I know we poured champagne Maybe we was just too qquick to celebrate

Thought i was ready Ready for someone else But every time I get ahead of myself /2x Thought I was rock steady That I didn't need no help But every time I get ahead of myself /2x
