

# X Ambassadors, HOLD YOU DOWN

we'll be the last ones dancing  
when the lights go out  
when there's no one to hold you  
I will still hld you down  
we'll be the last once dancing  
in the faceless crowd  
when there's no one to hold you  
I will still hold you down

don't talk but you speak so loudly  
you smile but your eyes look cloudy  
you say somebody left you broken  
but I'm here with the door wide open

no matter what  
no matter what  
I'm yours  
lows and the highs  
lows and the highs  
for sure  
if you to go war  
I go to war  
for you  
for you
