

Yelawolf x Caskey, Open (Ft. DJ Paul)

She's so open
We're so open
She's so open
We're so open
She's so open
Soon as i pulled out
Mane, that think was still open

The liquor that's in my system
Got me mspinnin' and talkin' venom
Walkin' through the parkin' lot
Drive in the bar
Like i am swimmin'
Scuse me
Bitch out my way
No security's in my face
Part the seas whit my clique
Look at tjis fool
Fuck you say?
