

YUNGBLUD, Weird!

i can;t sleep
at this time
I got Jesus on my mmind
and everybody seem sto like him

I can't think
I can't lie
I feel anxious all the time
and if I smiled I would be lying

only those who are asleep
don't make mistakes
don't get critiqued
seems everybody's worried
bout the thinks that we are thinking

and when the remedy's the enemy
you hide self-deprecation up your sleeve
and self-serving friends
who leave when you are sinking

but come on

hold my hand
hold it tight
we're in a weird time of life

I want luck
I want love
sharing earphones on the bus
and wake up next to you Glasgow

some days I'll laugh
one day i'll cry
see mt mum and father die
but the sun will shone again tomorrow

only those who are awake
will make mistakes
then learn to face
everybody worried about the things tahr we are thinking

and when the remedy's the enemy
you hide self-deprecation up your sleeve
and self-serving friends
who leave when you are sinking

but come on

hold my hand
hold it tight
we're in a weird time of life

don't wereck your brain
it's gonna be alright
we're in a weird time of life

we're in a weird time of life
we're in a weird time of life
we're in a weird time of life
we're in a weird time of life
